

Playing safely with Squadz

Healthy & safety measures

Stop hand shakes and use **non-contact greeting methods**

Practice **regular handwashing** before, during, and after play

Staff will **disinfect surfaces** like doorknobs and chairs regularly

Avoid touching your face and cover your coughs and sneezes

Temperature checks upon entry for both participants and staff

Revised rules of play

Follow all **social distancing** signs.

Bring your own equipment.

Partitioned/demarcated spaces dividing areas of play.

No bathroom/water fountain access.

Mandatory check in via online reservation through the **Squadz app**.

Masks... ON.

- Mandatory mask use before, during, and after play.
- Staff members will be wearing masks at all times
- Masks can be bought online/on-site.

SQUADZ SHOOTAROUND RULES

Before participating in an activity, clean hands with alcohol-based hand rub or soap and water at one of our sanitation stations.

Bring your own sports equipment. All equipment left behind will be discarded.

Masks/PPE must be worn at all times on-site; before, during, and after all activities.

Participants may only play with or around other people in their living units (e.g. family, roommates).
